

Membership Policy

- Members must be local in geographic proximity, practice sustainable strategies, and participate in fair and direct trade.
- Members pay an annual \$100 investment into the Co-op, which is then held in specific farm accounts. This money will always belong to the farm and is not a fee.
- Members are prioritized on our Local Orbit online marketplace.
- Farms are allowed one 'trial period' to decide if they wish to join LINC which ends automatically once the designated sales threshold of \$500 is reached. At this time, the \$100 will be due regardless of the decision to join or not.
- In the event that LINC is unable to secure specific items from within the Co-op membership, LINC's sales team will seek other sustainable options outside of the Co-op.

For more information on LINC's growing and sourcing requirements visit www.lincfoods.com or send us an e-mail with the subject title specifying the guild in question.
